Spot the Signs is a suicide prevention campaign helping to remove the stigma of talking openly about suicide. We provide training courses and signpost individuals to mental health support in Hertfordshire. Spot the Signs Young People's project aims to:

- Increase public awareness of suicide in young people
- Reduce the stigma associated with seeking mental health support
- Provide suicide awareness training to professionals working with young people in Hertfordshire
- Encourage peer support
- Signpost children and young people to support services
- Promote support for families where a family member is at risk

Our vision is to make Hertfordshire a county where no one gets to a point they feel suicide is their only option.
