

Safeguarding at HRC

Hertford Regional College is committed to safeguarding all students and there are policies and procedures in place to achieve this.

We aim to ensure that all students feel safe, are encouraged to talk, and are listened to when they have a worry or concern.

Safeguarding is about protecting people from harm from a range of things such as:

- Bullying
- Abuse
- Sexual exploitation
- Abuse over the internet
- Peer on peer abuse
- Female Genital Mutilation
- Domestic/relationship abuse
- Self-harm
- Forced marriage

Are you worried about someone's wellbeing, or are you experiencing abuse or neglect yourself?

Are you experiencing Friendship problems?

Are you Worried about a friend?

Is someone putting pressure on you to do something you don't want to do?

Are you concerned about your or someone else's Mental Health?

If you answer yes to any of the above tell someone. You can speak to any member of staff or contact:

safeguardingteam@hrc.ac.uk or call into to the welfare office to speak to an advisor or click on the link in Moodle:
