Learner Profile

Planning

The information in the Learner profile should transfer into the Learning Plan section on support and challenge.

A screenshot of a Microsoft Word document titled "33 HRC Learning Plan 2016-17 - Word". The ribbon shows the "TABLE TOOLS" section with "DESIGN" and "LAYOUT" tabs. The document contains a table with two columns. The first column header is "How are you going to check learning? Ensure each learning objective is assessed and include independent study activities". The second column header is "How will you support and challenge individuals to maximise their learning and progress? Including details FROM THE LEARNER PROFILE AND the use in-class support if applicable." The text "FROM THE LEARNER PROFILE AND" is highlighted in yellow. The status bar at the bottom indicates "PAGE 1 OF 3", "386 WORDS", "ENGLISH (UNITED KINGDOM)", and "170%". The taskbar at the very bottom shows various application icons and the system clock showing "09:54 06/09/2016".

FYI: Students complete the “Career Plans” part of their ILP via ProPortal (as directed in Group Tutorial, Week 3).
You can edit this bit too in ProMonitor if needs be.

A screenshot of a web browser displaying the ProMonitor application. The browser's address bar shows the URL: https://pmweb.hrc.ac.uk/ProMonitor/ILP/LearnerILP/aftermycourse.aspx?pmstudentid=x28Vmmt4OLE%3d. The page title is "Career Plans for Aimee Chipperfield". The user is identified as "Aimee Chipperfield (330139)". The page includes a "Save" button and a section titled "Career Plans (Student to fill in)" with the question "What are your career goals?". Below this is a large text input area and a dropdown menu with the text "--Select--". The page also features the Hertford Regional College (hrc) logo and the text "Hertford Regional College". The browser's taskbar at the bottom shows various application icons and the system clock indicating 09:45 on 06/09/2016.
